GIBSON MANAGING PRINCIPAL COURTNEY MONTFORT NAMED A NATIONAL WOMEN TO WATCH HONOREE

Indianapolis, IN — Gibson is proud to announce that Courtney Montfort, Managing Principal of Gibson's Indianapolis office, has been named a 2025 Business Insurance Women to Watch honoree.

The Women to Watch Awards is the only recognition program honoring exceptional women across all sectors of commercial insurance, risk management, consulting, and law. Since launching in 2006, the program has become a platform for leadership, education, and empowerment.

Montfort earned her insurance license at 18 while still in high school, followed by a B.S. in Insurance and Risk Management from Indiana State University. Her career includes 13 formative years at Willis, with roles in Phoenix and Nashville, before joining Gibson in Indianapolis. In July 2022, Montfort was named Managing Principal of the Indianapolis market.

Those who work with Courtney know her as someone who prepares deeply, thinks strategically, and leads with heart. She sets high standards for herself and inspires others to do the same. Her recognition as a Women to Watch honoree reflects the impact she makes every day — at Gibson, with clients, and across the industry.

"She has an incredibly high standard for herself in depth of knowledge and preparation. Her strategic understanding of insurance and how to be a business partner is exceptional," said Tiffany Sauder, Gibson client and Founder of *Life of And*.
